

## *Children's Liturgy*

As a group we gather in the MacKillop Room, listen to the gospel, sing the Alleluia and discuss what it all means for us as followers of Jesus in 2015. We usually respond to the word in a number of ways- using drama, mediation, song, drawing and creating in a meaningful way. We conclude with Prayers of the Faithful, often sharing our own prayers from the heart with each other. We often receive more spiritual wisdom from the children than that from a lot of adults!!
