Acknowledgement of Country

We respectfully acknowledge the Traditional Custodians of the land on which we meet today, the Yugambeh people and pay respect to their Elders, past and present, and extend our respect to any First Nation peoples who are present today and to all First Nation peoples across the nation.

We acknowledge the Traditional Custodians who have walked and cared for this land for thousands of years and their descendants, who maintain their spiritual connections and traditions. We thank them for their continual cultural and spiritual connection to Country as expressed through their history, music, language, song, art and dance.”

Traditional Owners

The Yugambeh language groups of people are the traditional custodians of the land located in south-east Queensland and north-east New South Wales, now within the Logan City, Gold Coast, Scenic Rim, and Tweed City regions. Their ancestors all spoke one or more dialects of the Yugambeh Language.
